

Comments: Priscilla, you have demonstrated an excellent understanding for planning a unit and lesson for English. Your unit overview shows evidence of backward mapping, and intentional integration of literacy frameworks. Your lesson plan was well-sequenced, detailed, and includes good examples of formative assessment. Your reflection shows good consideration of your learning and includes good references to the course readings. Please see in-text comments for further details. Thank you for your submission and best of luck with your future studies.
